CIRCUS SALE FAILURE
W. A. Shannon Falls to Raise Funds to Purchase Property Bought at the Sale of Norris & Rowe Show, and Another Sale Will Be Held

No account of the inability of W. A. Shannon to make good the sale of the Norris & Rowe Show for which he had a $20,000 deposit was given until the expiration of the 30 day period in which the lot was to be delivered to the buyer. Mr. Shannon has made public an appeal for $15,000 to help him meet the obligations of the sale. In the meantime the vendor, Mr. Norris and Rowe, have made public the fact that they have taken action with the State Corporation Commission to have the cargo held until the third sale is concluded.

HALF-MILE APART.

T. B. Sears, one of the Highbridge-Wallack Bros. who did the sales, arrived at his hotel last night after the sale of the property. He is accompanied by Mr. Wallack, who has left the city temporarily. Mr. Sears is expected to leave for the East this morning and make an agreement with a syndicate to purchase the property for a larger amount than the Norris & Rowe. Mr. Wallack is expected to return to the city today and will resume negotiations with the Commissioners to see that his deposit is refunded to him.

A LATER REPORT.

Mr. Norris, who conducted the sale, stated last night that he was satisfied with the result of the sale and that he was willing to take the property. He stated that he had made a deposit of $15,000 with the State Corporation Commission to be refunded if the property was not delivered to the buyer within the 30 day period. Mr. Norris said that he was willing to accept the property at the price of $20,000 and that he would make every effort to see that the property was delivered to the buyer within the required time.

In The Kaiser's Domain Travel Pictures Take the Place of Our Dramatic and Comedy Motion Pictures, as the Public Wants Instruction

The Kaiser's Domain has been the scene of a great change in the motion picture industry. Travel pictures, depicting the daily life and customs of the people, have taken the place of our dramatic and comedy films. The public, eager for new and interesting experiences, has shown a marked preference for these films. The result has been a decline in the popularity of our motion pictures, which have been viewed as too formulaic and predictable.

"MY GOD! ARE YOU CRAZY!"

Herewith, by permission, we print one of the most wonderful
telegrams ever sent in the rushing history of the moving picture business. It was
received by Arthur Lucas, of the Sunny South Film Co., of Savannah, Ga.
.. while he was in New York:

Savannah, Ga., June 15, 1915.

Arthur Lucas,
Caddie Hotel, New York.

"My God, are you crazy? We lose six hundred dollars weekly revenue, probably more, by canceling Imp films. Exhibitors refuse positively to accept any substitute. Can't you get Imp films through elsewhere?"--

(Signed) Marion Lucas
Sunny South Film Co.

That's the stuff!!!! That shows how the exhibitors are fighting for Imp films. That proves that they won't accept substitutes! That is enough to convince the hardest booted in the business that exhibitors want Imp films, demand Imp films, and are GOING TO GET Imp films if they have to rip their exchanges from stem to gizzard to accomplish it. Now, then, here are

TWO MORE "IMPS" YOU WANT

"THE FALLEN IDOL" Released Monday, July 4th. Length about 900 feet. Another combination of marvelous stagework, superb acting and clear
out photography. Another of those huge bills you'll be glad to get for a "return date." DEMAND IT!

"THE CALL OF THE CIRCUS" Released Thursday, July 7th. Length 900 feet. A picture that will be the talk of the town. Read the story of the plot elsewhere in this paper and then begin to dig-dug at your exchange IMMEDIATELY!

EXHIBITORS.—There is a film exchange in your neighborhood which is buying one or more copies of EVERY IMP FILM PRODUCED. That's the one you ought to patronize. We'll give you the name and address of that exchange the instant you ask us.

SALES COMPANY WINS AGAIN!

With every group of film manufacturers in America striving every possible point to be the first to produce pictures of Roosevelt's triumphant return, it is no small victory for the Sales Company to be able to say it was the winner of the race.

Camera men and cameramen were stationed on revenue cutters, docks and various other places of advantage with the result that we secured six hundred feet of magnificent pictures in which "Faddy" appears all through. We also secured an exclusive picture of the "Abernathy Kids" and a wonderful panoramic view of the Metropolitan Tower, a great feature in itself, but in this case a mere "side issue."

In spite of the tremendous rain storm following the Roosevelt ceremonies, we were able to get prints of the great picture into the leading vaudeville houses of New York City by 9:30 the same night. The audiences fairly gasped and marvelled at this record-breaking feat.

We cite this merely as an instance of our determination to give a superb service to every loyal exchange and every loyal exhibitor and to show that we are the stuff winners are made of.

Exhibitors are once more requested to send for a list of those exchanges which are buying the limit from the following:

CIRCUS GOSSIP

The Profession Engaged in the World of White Tops
Mentioned in Brief Personal Items Gathered From Near and Distant Climes

CIRCUS BLOOMS ON 2 YEARS

Mr. & Mrs. H. F. Cooke, Mr. & Mrs. G. E. Powers, Mr. & Mrs. J. J. Clements, and Mr. & Mrs. J. T. Schmitt of the Williams Brothers, Mr. & Mrs. J. E. Johnson of the Johnson Bros. and Mr. & Mrs. H. F. Schmitt of the Schmitt Bros. have attended the annual circus gathering in the Catskill Mountains.

NEWSPAPER CAUSES CONTROVERSY

The recent issue of the Los Angeles Times caused considerable comment as it was learned that the paper was printed in a factory owned by Mr. & Mrs. J. F. Smith, of the Smith Bros. Circus. This has led to a dispute between the circus operators and the newspaper.

FILM REVIEWS

The Latest Contributions of the Film Manufacturers Reveal Subjects Covering the Drama, the Comedy, the Educational and the Scenic Element

“OLD HEADS AND YOUNG HEARTS”

A snappy, dainty comedy in which two old duffers want their son and daughter to wed, but disgust them with their arguments. Finally, the fathers pretend to fight and object to the wedding. And their ruse works, of course. If you don’t laugh when you see this play, you’ve got a heart that wouldn’t make a cowboy look like pulp. Demand it. Begin now.

“THE SALOON NEXT DOOR”

is the name of our Thursday, July 14th, release. It is a typical “Imp” drama, the kind that has always packed your house, the kind you will ask your exchange to send back for a return date. If your exchange can’t give you “Imp” drama, it probably isn’t buying any kind of films at all. If that is the case, switch, brother, switch!

“THE STANDARD” MEANS “PERFECT” IN MOVING PICTURE MACHINES

Another valuable opinion from a user of Power's Gamograph

"I am pleased to say that I believe the best test of the efficiency of the No. 6 Power film is not only the speed of the machine but the quality of the print. The photo shows a definite difference, as you can see from the No. 6 Power's picture shows the same scene, taken at the same time, no difference in the quality of the picture."

TWO BIG CHANGES

George Aiken Leaves the John Robinson Show
After Many Years’ Service—Friction Attributed
as Cause—Edward C. Knupp Succeeds Him

George Aiken, the merry old minstrel who
for years has been the funny little fellow
who sauntered through the John Robinson
Show with an automobile and a six-shooter,
has decided to leave; and when the show
leaves Buffalo he will join another show.
Edward C. Knupp, general manager of the
Robinson Show, has decided to leave the
company and join another. He is to
leave on July 26th. According to sources close to
the show, friction, and not money or
health, is the cause of the change in
management. George Aiken, it is
understood, is leaving because he
feels that his songs and his antics
are no longer getting the laughs
that they used to get.

Exchanges, Take Notice!!

Our prominent Exchange writer tells us:

"One, two, three, the public is ready to
accept a fast, well-made, human-interest
story. Its language, its pace, its
understanding, all must be right. It
must be a story that cannot be
duplicated. It must be a story
containing both character and
sympathy. It must be a story
that will be remembered.

beginning. If you want to
sell your picture at the
middle, you must remember
that it is the middle.
If you want to sell your
picture at the end, you
must remember that it is the
end.

people will remember.

AT CONEY ISLAND

Owing to the Torrid Weather, Vast Crowds Nightly Attend the Nation's Greatest Playground.

Baltimore Park Destroyed by Fire.

LUNA PARK, CONEY ISLAND.

The popularity of Luna Park, the immortal concrete amphitheater at Coney Island, has increased to such a degree that a fire, which broke out in the park recently, has destroyed much of the structure.

The fire started in a small shed near the entrance and quickly spread to other parts of the park. The cause of the fire is still unknown, but it is believed to have been caused by a spark from a discarded cigarette.

The park is famous for its roller coasters, Ferris wheel, and other attractions, and its loss is a great blow to the amusement industry.

JUDICIAL MINGLING
This week the legal world was treated to a unique and highly unusual experience. The Judge of the Circuit Court was seated in a chair in the center of a large room. Around him were several lawyers, who were engaged in a discussion of the various legal cases pending before the court. Suddenly, the judge stood up and declared, "We will now proceed to trial!" The lawyers all stood up and began to argue loudly with each other, until the judge called for order and announced that the trial would begin. The proceedings continued for several hours, with the judge presiding over the entire affair. Ultimately, the judge declared a verdict in favor of the plaintiff, and the lawyers all bowed their heads in disappointment. The judge then adjourned the court, and the lawyers all left, shaking their heads at the strange and unusual proceedings that had just taken place.
